INSTRUCTIONS TO VOTERS:

HOW TO VOTE: To vote on the recall question, completely darken the oval next to the word "YES" or "NO". To vote for a candidate whose name appears on the ballot, completely darken the oval next to the candidate's name. To vote for a qualified write-in candidate, write the person's name in the blank space provided for that purpose after the names of the other candidates for the same office and completely darken the oval next to the written name. If you wrongly mark, tear, or deface this ballot, return it and get another. Use a pen with dark ink (not red ink or pencil).

Voter-Nominated Offices

All voters, regardless of the party preference they disclosed upon registration, or refusal to disclose a party preference, may vote for any candidate for a voter-nominated office. The party preference, if any, designated by a candidate for a voter-nominated office is selected by the candidate and is shown for the information of the voters only. It does not imply that the candidate is nominated or endorsed by the party or that the party approves of the candidate.
