

# Miracle Of Light

Shmuel Marcus

(A)

No fighter plane or battleship  
can crush what's pure and sweet  
It's that last drop of oil that just won't see defeat  
It keeps our little hoppin' flame dancin' to the beat  
It's that last drop of oil we're takin' to the streets

(B)

And we'll blow smoke in the face of darkness  
Set fires to burn up the night  
Tell and retell all your stories  
Be a miracle of light

(C)

דנת את דינם נקמת נקמתם  
גבורים ביד חלשים רבים ביד מעטים

(D)

I'll be a nes nes, I'll be a bright light  
I'll be a miracle, I'll be a miracle of light

(E)

Crushed like an olive let your oil flow  
When there's nothing left your true colors show  
So reach deep down and grab that spark  
ain't you tired of living in the dark  
Show me a candle I'll show you the light  
show me a candle I'll show you the light

And we'll blow smoke.....
